9.	Please suggest any improvements that could be made to this subject.	4	Open question	33.33
9.1	I have tutoring session with lisa, she doesn't teach anything the subject is not well informed and properly organised			
9.2	the lecturer could be a lot more prepared, where assignments were not handed out on time and it made us have little time to complete it.			
9.3	Make a bigger project for the assessment.			
9.4	Seems like every material in this subject is not well organise. For example the assignment requirement etc.
