| 7.1 | Flash animation | | | |
| 7.2 | Didn't like anything in particular | | | |
| 7.3 | the subject material is very interesting. same as what i would like to learn from it | | | |
| 8. | Please suggest any improvements that could be made to this subject. | 5 | Open question | 20 |
| 8.1 | more flash | | | |
| 8.2 | There is a need for more practical work. For about the first 4 weeks, we just talked about doing work instead of actually making something. Also, the tutors don't seem to know what they're doing. The assignments are never released on time and the teachers fail to answer their email and discussion board posts. Very poor organisation overall. | | | |
