Open questions:

10.	What did you like particularly in this subject?	4	Open question	57.14

10.1 This subject gave us a overview of game programming, we learn the principle of it, like exciting game creation process, game engine usage and development, collaborative work etc.

10.2 I like this subject, it helps me much!

10.3 -Knowing that everything I did and learn is going to be really helpful to me after uni.
-That I can actually apply relevant positions with the demos I created.

-Yusuf encourage us to make movie clips and upload them to youtube, I it were me I would keep postponing it.

10.4 with many other students are really loving game developing?????????

11.	Please suggest any improvements that could be made to this subject.	3	Open question	42.86

11.1 I want to have more guest lecture given by industry practitioner .

11.2 I hope an Advanced Game Programming subject can be added

11.3 teach more about the programming skills?????????
