Open questions:				
10.	What did you like particularly in this subject?	2	Open question	33.33
10.1	The work in general was pretty interesting, and discussing the game industry in relation to this unit and the different techniques used in programming.			
10.2	I am glad that the subject was flexible enough to allow for programming newbies like myself to learn as well. While extended programming knowledge would have no doubt improved my work no end i was still able to keep up despite that lack of skill on my part			
11.	Please suggest any improvements that could be made to this subject.	1	Open question	16.67
11.1	If the Lab could go directly after (or before) class instead of on another day it would greatly improve learning as well as allow for the programming part to be focused in the labs whereas the concepts to be focused in class
